Letter Head

A letterhead is the heading at the top of a sheet of letter paper (stationery). It consists of a name, address, logo or trademark, and sometimes a background pattern.

Envelope Design

An envelope is used for sending some letters or documents using regular postal mail. This envelope is using the similar theme as in the business card and letter head along with the contact details needed for the cover.

Brochure Design

Brochures are similar to other printed documents, but with key differences. Like pamphlets, they are informational, but brochures are designed to advertise a particular brand, product or service. Unlike flyers and posters, brochures are folded into sections, so they can retain their size but present more information..

● Table Tent Design

A table tent is a piece of stock-folded paper shaped to stand on its own on top of counters and table tops and is printed with information regarding certain products, services, and events.

● Folder Cover Design

Covering folders is a nice way to customize your folder. You can use paper or textile. Paper coverings are easy to work and change whenever you wish. In order not to get confused with sizes, you can find on Internet printable templates with adequate measures.

● News Paper Ad Design

This form of advertising capitalizes on the established readership base of newspapers to disseminate brand messages, product details, services, and more. Through newspaper advertising, businesses harness the credibility and trust associated with these time-honored publications to engage with potential customers.

The advertisement features a large, stylized purple "SALE" text at the top, followed by "UPTO 50% OFF" in a smaller font. Below this, a list of products includes SAREES, READYMADE SUITS, UNSTITCHED SUITS, KURTIS, BANARASI & KANJIVARAMS, BANDHEJ, BRIDAL GOWNS, and BRIDAL LEHENGAS & MUCH MORE. Four women are shown in traditional Indian attire (sarees and lehengas) standing outdoors at night under a street lamp. At the bottom left, there is contact information for SANTACRUZ (W) with an address in New York and an email: fashondress0@gmail.com. The timing is listed as 11 am - 8 pm. At the bottom right is the company logo, which is a red circle containing a white stylized garment, with the text "Loom & Luxe" next to it. Social media icons for Facebook, Instagram, and Twitter are also present.

● Dangler Design

Dangler is a literary term meaning a plotline that is metaphorically left to "dangle" or hang". A dangler, or dangling plotline, is a plot device in fiction where a plotline is forgotten, phased out and eventually dropped, thus a resolution is never achieved.

The image displays two side-by-side promotional banners for fashion sales, illustrating the 'Dangler Design' concept.

Banner 1 (Left): This banner has a dark blue background. At the top left, it says "NEW FASHION SALE" in large white and red letters. Below that, "UP TO 65% OFF" is displayed in red. In the center is a circular inset showing a woman with long blonde hair wearing a black top. Above the inset is a small logo for "Loom & Luxe" featuring a stylized white flower. At the bottom left, there is a "MORE INFO" button and contact information: +91 223 456 7891 and www.fashioncompany.com. A small note at the bottom left reads: "If you meant something else by "In the ling," feel free to clarify, and I'll adjust accordingly!"

Banner 2 (Right): This banner has a purple background. At the top right, it says "Summer FASHION SALE" in large white and black letters. Below that is a yellow handbag. A white circular tag hangs from the bag's strap, reading "Hurry Up! 50% OFF For All Item". At the bottom left, it shows the phone number +91 556 789 1234 and the website www.fashioncompany.com. A red "Order Now" button is located at the bottom right.
